

Inclement Weather Policy

For the safety of our visitors during inclement weather, we ask that you check one of the following methods for any cancellations or delays.

Cancellations of events will always be posted in the following three ways:

- 1. on the website <http://holyspiritpalmyra.com/>**
- 2. on our Facebook site**
- 3. listed on our phone message 717-838-3369**

MASS WEEKEND SNOW: for weekend Masses, we will have the sidewalks and parking lots cleared to the best of our ability even if it is still snowing. You will still have the capability to watch the live stream on our YouTube Channel for the 4pm and 11am.

MASS WEEKDAY SNOW DELAYS/CLOSURES: in order to be fiscally responsible with snow removal during the week, snow will be removed from the parking lots and sidewalks after it has stopped falling. We ask that you do not drive on the snow covered lots. If you choose to walk or park on the street, please note that the sidewalks may not be cleared. You will have the capability to watch the live stream of the Mass on our YouTube Channel

MINISTRY EVENTS: If your ministry has something scheduled on the day of a snow delay or cancellation, please note that we may not have the parking lot/sidewalks shoveled right away. We ask that before venturing out, you contact Chris Wood at 717-838-3369 x 103 to see if the areas have been cleared of snow.

ADORATION CHAPEL: The Adoration Chapel may close beyond the scope of Holy Spirit's decision. It is, therefore, the decision of the Adoration Chapel Coordinator when to close and open the chapel. If the coordinator closes the chapel, the coordinator will change the recorded message found on 717-838-3369 x111 to convey anticipated reopening of the chapel. Please call ext. 111 before visiting the chapel in the case of inclement weather.
