When You Give To The 2020 Diocesan Annual Campaign

You Support Families

Catholic Charities provides a multitude of services, from shelters to food kitchens, to employment services and foster care, to help those in need in our Diocese. Marriage and family programs, advocacy for the protection of life and sacramental preparation are also all supported by the Diocesan Annual Campaign.

You Strengthen Education

From funding seminarian education to ongoing Permanent Diaconate training, religious education programs and support for our Catholic schools, your support of Catholic education is vital to secure the future of our faith. Ongoing training programs for clergy and those who minister to the faithful also receive support from the Diocesan Annual Campaign.

You Spread the Love of Christ

Evangelization programs that focus on youth and young adults and those who minister and teach in our schools and religious education programs benefit from your support. These programs energize those on fire for Christ, and kindle the fires in those looking to deepen their faith.

You Grow Your Faith

Milestone events in the Church, such as baptisms, first communions, confirmations and marriages, are opportunities to grow in our faith. Volunteers who lead these sacramental programs receive training provided by the Diocese and funded by the Diocesan Annual Campaign.

Goal: \$7,461,400
